FIND A PROJECT

HOW IT WORKS:

1

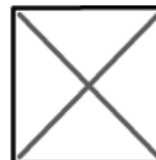

A local organization,
group, or individual
posts a project they
need volunteers for.

2

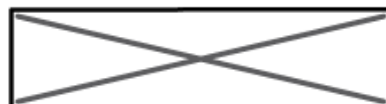

Volunteers browse
the projects and
select what to
become involved
with.

3

The organizer
receives contact
information for
volunteers who are
interested.

ABOUT

Gtown Volunteers was started to make it easier to connect the residents of Germantown to the projects they care about in Germantown. Contributing to the vibrant culture and developing deeper connections with their neighborhood.

1

A local organization, group, or individual posts a project they need volunteers for.

2

Volunteers browse the projects and select what to become involved with.

3

The organizer receives contact information for volunteers who are interested.

[About](#)[Start a Project](#)[Volunteer for a Project](#)[Login](#)[SIGNUP](#)

Anyone with a great idea for change in the neighborhood can find volunteers and promote their project.

To be post a project, you must:

- Have primarily public benefit, rather than private benefit.
- Benefit your neighborhood's community, local environment or both.
- Produce tangible results. These should be immediately apparent to one or more of our five senses.
- Be local to the project site.

When you post your project on gtown volunteers, you can instantly find new volunteers: All you need to do is share your idea: Just tell us a little more about yourself and your awesome idea.

Sign Up

Your first step to creating a project on Gtown Volunteers is to create an account. This way you can manage your projects and be able to receive volunteer's contact information when they sign up.

The second step is filling out your details..
